

Grappa di Sassi Neri

Fattoria Le Terrazze

Grappa

Description

Another of the purest expressions of the Montepulciano's personality. Bain-marie discontinuous distillation with brief refinement and static decantation in steel, produced from freshly drained pomace in the legendary Distillerie Berta of Monbaruzzo (AT).

Organoleptic Profile

Bouquet: balanced, with notes of red fruits, dried fruit and a pleasing sensation of vanilla. Taste: round and full.

Pairing

A product of meditation, it does not disdain combinations with dark chocolate.

-  0,75l - ALC 13,50%
-  Montepulciano 100%
-  8/10 °C
-  Distilled glass
not aged in wood
